WELL UP TO TIME. Talking of precocious newspaper reports regiods me that the telegraphic arrangements between your shores and ours are now so much improved that we actually can get news of an event happening in Calcutta one hour and a half before it occurred! Thus, if you wire a message exactly at noon, we receive it at halfpiet 10 a ft. After this, the putting a girilo round the earth in forty minutes is slow work, seeing that we do the job in really less than no time, whilst peeps into furnity, and lookings into the womb of Time, may be accomplished.

by any one who will pay for a message from the City of Palaces. Then, too, if the arrangements company and the wholesale rain consequent on were still farther perfected, so that no delay t set our journals some short time ago to dis- would occur in telegraphing to San Francisco, the exercise of individual caution and fore: day before it was despatched, whilst if a cable right, to the maxim of careat employ in their were laid a ross the Pacific to China, and conpargains, or to impose certain pure nal restrict nected with Calculta, the complications of tions on the part of the law by which mexps time would be "such as no follow could finderrienced persons might be guidel and private stant." In fact, the clawn's old Christmas juke adgments controlled, to their one great benefit. " How are you to-morrow" is no longer a joke, Free will, in fact, became the same puzzle to us but the correct way of asking a civil question a regards our conduct in this life as it remains | half-across the globe. - Alligator Redivioue, in-

THE REPUBLIC OF WINNEPEG. Louis Reil the " President" of the diminutive Republic of Winnepey, has issued a proplamation of peace, which reads very much like some of the manifestoes of poor Salnave, with a slight flavor of the Japanese Mikado about it He commands that the Assembly of twentyeight, which met on the 9th of March, shall be guided use of his own perception at the pre- bold dear to the prople of Red River, beentise sent day is seen by all that system of in- it worked in onion. Amnesty is to be declared spection of weights and measures we practice to those who have heretofore failed to co-operate those confiscations of fish, fresh, and fowl provided they submit now to "the governwhich may Lord Mayor, with commendable ment." The President then declares, " Elected accuteness of nose, saiffs at and consigns to by the grace of Providence and the sufferance of the dung-heap? Why inspect schools, fact my fellow-citizens, to the highest position in tories, and emigrant ships, except to give the the government of my country. I proclaim public a surranty with regard to them that that peace reigns in our midst this day. The saves the time and trouble of individual in government will take every precaution to

the weight or measure; and the State, wisely to the President of a handlul of half-breeds foreseeing this, aids him by an interference and French voyageurs, isolated by a howlthat he certainly has no reason to regard as ling wilderness from the rest of the world.

But this is the independent Republic which We are grateful, then, for this supervision in Senator Chandler and his conductors would certain cases, and it is yet to be seen if we have us annex to the United States, at the should not have cause for a wider gratitude it risk of a war with England. It is all very the system were more freely exercise L and a well for us to watch with amusement the State guidance so or aused as to provide us tragi-comedy of a revolution in Winnepeg, with safe counsel and sage advice in many of und the establishment of a Liliputian Repubthe difficult problems which confront us in life. lie ; nor are the inlated periods of President Reil's proclamations without a certain fuelodramatic interest; but the people of the United States have something else on hand.

THE TOURISTS GUIDE - POCKET PORT , 2 ... CLARET , 1 BIRLEY & Co. NOW READY IMPERIAL QUARTO. ENGLISH AND CHINESE DICTIONARY, PUNTI AND MANDARIN PRONUNCIATION. i Anglo Oninese Dictionary, by the Rev. Press Office, Hongkong.

Ritoble, in 1 and 2 dozen cases, and in TOR scope and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects LANE, CRAWFORD & Co. in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extenso. Each and every word is illy illustrated and explained, forming exercises for students of a most instructive nature. BROADWOOD & SONS PIANOFORTES given, the accents being carefully marked on darm, and Dido will be found on the cruising Both the Court and Puntl pronunciations are the best principle hitherto attained. The typo-graphy displays the success of an attempt to make the Chinese and English type correspond in the size of body, thoreby effecting a vast For particulars, address A.B.O., care of this economy of space, achieving a clearness not previously attained, and dispensing with those vust margins and vacant spaces which have

utilitarian purposes so complete, that a reference to its pages enables a person who understands English to communicate effectively indispensable to all Europeans realding in China, and to the natives themselves it explains subjects fully, with which very few in of the heat English-made deed of them are periently acquainted. To purcles resident in England and interested in It comprises upwards of two thousand large promptiess, at very moderate Terms.
